

Official Request to
TSHNO (Thai Society for Head and Neck Oncology)
for IAOO 2023 Promotion

December 23, 2022

To whom it may concern,

Greetings from Korean Society of Head and Neck Surgery and we hope this email finds you well.

We are planning to host **9th World Congress of the International Academy of Oral Oncology (IAOO 2023)**, which will be held from November 1(Wed.) to 4(Sat.), 2023 at Grand Hyatt Incheon, Incheon, Korea. In this regard, we would like to ask for cooperation in forming a bilateral network between our host societies and other countries for developing the oral oncology field and promoting in your association or society the IAOO 2023 congress.

IAOO meeting's goal is to bring together, a multi-disciplinary group of specialists from all over the world to present and exchange break-through ideas relating to the oral oncology field. A global summit of head and neck surgeons, radiation and medical oncologists, maxillo-facial surgeons, otorhinolaryngologists and all other allied specialists in oral cancer are expected to gather and share their experience in applying advanced methods of treatment in the field of oral oncology, as well as valuable academic research and present original scientific works and cases.

As part of our efforts, we are seeking for the way to attract more variety colleagues from all around the world to IAOO 2023 than ever. There is no doubt that we are proud to present to our participants a truly international program with attractive, interesting and the latest issues. In addition, we are sure that you might feel like us the needs for the network to promote your own congresses in other countries and to develop your own professions much more internationally. Thus, we take this opportunity to lay down a foundation for academic network, so that you and we could promote congresses in the world and develop the field of oral oncology.
